## AFTER-SCHOOL TUTORING APPLICATION

Dear Parents:

We are pleased to be able to offer a free tutoring service to any elementary student who is in need of extra assistance with his or her class work. While we cannot guarantee results, we can offer your child a chance to succeed academically. Please fill out and sign this form which will give us some information to be able to better serve your child.

Beginning on Monday, October 22, we will meet on Monday and Wednesday afternoons from 4:00 pm until 6:00 pm.

This is a totally free service we only ask that you make sure your child knows and understands that this is not a babysitting service, nor is it a recreation program. In the past we have had a number of children who were not interested in working on academics. They were looking for a place to socialize and the end result was that they were disruptive to other students who were here to learn.
